HATHI TRUST

Just What You Need:
17 Million Digitized Books,
Journals & Newspapers

LOG IN to Access Your HathiTrust Benefits

There are more than 17 million items digitized from the libraries of more than 50 academic and research libraries around the world. Because your library is a HathiTrust member, when you login to HathiTrust (www.hathitrust.org) using your institutional login and password, you may download full-book PDF files of titles in the public domain. To receive full benefits, **YOU MUST LOG IN** at www.hathitrust.org or when clicking an item in HathiTrust through your library's catalog search results.

How can HathiTrust help me with my research and assignments?

- Discover items digitized from libraries around the world. It's like going to dozens of different college and university libraries to do research — without leaving your home desk.

- Looking for primary sources? Find texts you need for research papers or projects in HathiTrust's digital library of 17+ million books, journals, and publications.
  - 51% of the collection is in English, and hundreds of languages are represented, including large amounts of material in German, French, Chinese, Russian, and Spanish.
  - Texts include items in Language and Literature; Social Sciences; Sciences; the Arts and more.
  - Uncover facts from the past in 1.3 million U.S. Federal Documents, including the U.S. Congressional Serial Set, Bureau of Indian Affairs publications, U.S. Environmental Protection Agency publications, and U.S. Civil Rights Commission, and many other federal divisions.

- Search every word in every book and item in the whole collection using keywords or phrases. Use these searches to discover items on desired topics or themes, identify items for interlibrary loan requests, or to add to your research bibliography.

- Create a bibliography with a few clicks: View or download citations for any item in the collection in MLA or APA format.

HATHI TRUST

About HathiTrust

HathiTrust is a not-for-profit collaborative of over 150 academic and research libraries, preserving 17+ million digitized items. HathiTrust offers reading access to the fullest extent allowable by U.S. copyright law, computational access to the entire corpus for scholarly research, and other emerging services based on the combined collection. HathiTrust stewards this collection under the aims of scholarly, not corporate, interests.
